❑ **BENCH** *with Plaque* **$1,500. Donation**

An Engraved Plaque will be mounted on each Bench donated

Plaque wording maximum 2 lines, 18 characters including spaces and punctuation

Creating our *Memorial* Park

With the acreage surrounding the Cenotaph Monument, the introduction of a Commemorative Program, along with support and donations from community residents, area and local businesses & organizations, we've begun to realize the vision...

a beautiful Memorial Park for our community

...a park graced with benches nestled amongst shade, evergreen, and ornamental trees, flowering shrubs and colourful flowers. A park in which we, as individuals - and as a community, may choose to share living tributes as testiment to our memories and loved ones.

Whether you are celebrating a birth, marriage, anniversary, or marking the passing of a loved one... our community Memorial Park and Commemoratives offer you and your family, group, or organization, meaningful expression and recognition.

VOLUNTEERS NEEDED

Creating and maintaining the Memorial Park is a Community Volunteer Project - and you don't have to be a gardener to lend a hand (although gardeners are *very* welcome) Whether you'd like to be involved as a committee member, with this season's projects, have an hour - or two each week, or just an occasional afternoon or evening...any help is welcomed.
