WHEN TO USE 911

The Ontario Provincial Police receives hundreds of 911 calls per year. Unfortunately, many of these calls are not emergencies. When the O.P.P. receives a 911 call, OPP officers are required to attend. Often times the 911 calls are not emergencies and could be resolved without police attendance or intervention.

Call 911 to :

- STOP A CRIME IN PROGRESS
- Report a Fire
- Save a life
- In any EMERGENCY situation
- whenever Police, Fire or
- Ambulance assistance is
- required immediately.

When you call 911 the operator will ask: "911, Do you require Police, Fire or Ambulance?" Choose the most appropriate for your situation.

WHEN TO USE

1-888-310-1122

When you have to call the O.P.P. for any non 911 situation, this is the non-emergency telephone number. This number is operational 24 hrs – 7 days a week.

By dialing 1-888-310-1122, you will be connected to the nearest Ontario Provincial Police Provincial Communications Centre who will process your call.

NORTH BAY O.P.P. DETACHMENT CLUSTER

Many people attend the North Bay, Mattawa and Powassan Detachments in person expecting that they will be able to promptly make a report or speak to an officer.

Our Officers are routinely on patrol throughout the communities we serve, which means an officer might not be immediately available to speak to you at detachment.

Therefore, it is recommended you call 1-888-310-1122 to request police assistance. Record the incident number created by the call taker.

The North Bay detachment is the administrative centre for the North Bay cluster which includes North Bay, Mattawa and Powassan detachments. We provide counter service to the public at the North Bay office only during regular administrative business hours.
