Re: East Ferris Volunteer Fire Department Equipment Response

To Whom It May Concern:

Be advised that the Municipality of East Ferris comprises the village of Astorville, postal code P0H 1B0 and the village of Corbeil, postal code P0H 1K0.

The fire hall in Astorville has a 2007 Fort Garry 1300 imperial gallon pumper / tanker with an 840 gpm pump.

The hall also houses a 2000 gallon tanker.

The fire hall in Corbeil has a 2011 Fort Garry 1300 imperial gallon pumper / tanker with a 1050 gpm pump.

The hall also houses a 2000 gallon tanker.

In the event of an emergency call out, all 4 apparatus respond from both stations within the Municipality of East Ferris with 6600 gallons available for initial attack.

We also have 2 - 20 horse power water pumps @ 65 gallons per minute to refill the tankers.

Do not hesitate to contact me if you require further information.

Sincerely,

Frank Loeffen

Fire Chief
Frank Loeffen
