### The Cenotaph Monument

Erected and dedicated in 2012, the granite Cenotaph bears our Maple Leaf emblem along with the crests of our Canadian Forces; Army, Navy and Air Force.

Inscribed on the monument... **Lest we Forget**  
**N'Oubliions Jamais**

— A Courtyard of —  
*Remembrance...*

Surrounding the Cenotaph is an expansive Courtyard with thousands of bricks of various size.

This brick courtyard provides all in the community the opportunity to express; *thankfulness, appreciation, gratitude, respect* - and to honour all those who participated in the many wars that assured us the freedoms we enjoy today.

Or, you may consider a more personal message for your engraved brick...

- your name ● your family's name(s)
- your business, group or organization's name
- in memory or celebration of someone special....

*You're invited! Take a few minutes to visit the Memorial... read the engraved messages in the Courtyard, view the exhibits, sit on a bench....take the time to remember.*
