

East Ferris Auto Centre

When Kelly Brown moved to East Ferris, he was hoping to semi retire from his 27 years as a mechanic. Purchasing East Ferris Auto in 2009 would prove him very wrong, easily seen by the consistently full parking lot. East Ferris Auto offers general automotive repair, maintenance, detailing and tire services. Kelly is happiest providing customer service at the shop, while his 2 Class "A" Mechanics, Andrew Howe and Josh Geisler service the vehicles that come in.

Since 2009, Kelly and his team have procured state of the art equipment in order to offer the highest quality service. New lifts, air compressors, tire balancers and scanners have all been added to the shop in recent years. Due to popular demand, Kelly has also increased his fleet of loaner vehicles for clients to have a reliable ride while their vehicle is being maintained.

Kelly would like the residents of East Ferris know that East Ferris Auto carries an extensive line of tires and is excited to expand this area of business. Customers are also welcome inquire about their cash and carry services. Items not in stock can be ordered and delivered to the shop quickly, often within the day.

Kelly is thoroughly enjoying business in East Ferris, away from the hustle and bustle of the City, and tells us that the people of East Ferris are what makes this place home.
