DID YOU KNOW?

HELP WITH HIRING

East Ferris businesses: are you having trouble finding employees? Did you know that Canadore College and YES Employment can help?

Canadore College has a variety of programs designed to connect employers and employees. In addition to the more than ten apprenticeship programs, the college also has more than twenty programs with an unpaid work placement requirement, which allows employers the opportunity to train and evaluate prospective employees with no financial commitment. The college also offers financial support to employers as well as a [job portal](#) to connect businesses and students.

Yes Employment also has a variety of programs in a similar vein, such as a [job portal](#) as well as subsidy programs to hire young adults, provide training outside of the business, and [much more](#).

Streamline the onboarding process with Canadore College and Yes Employment!
